

## Tank Mobile Kiosks - Dry Storage Module

The Dry Storage module offers additional storage space for the operator. Used commonly as bulk storage for dry food, condiments and accessories the dry module offers a lockable storage option. The dry storage module can also be adapted to hold utilities such as generators, additional water storage and gas bottles.

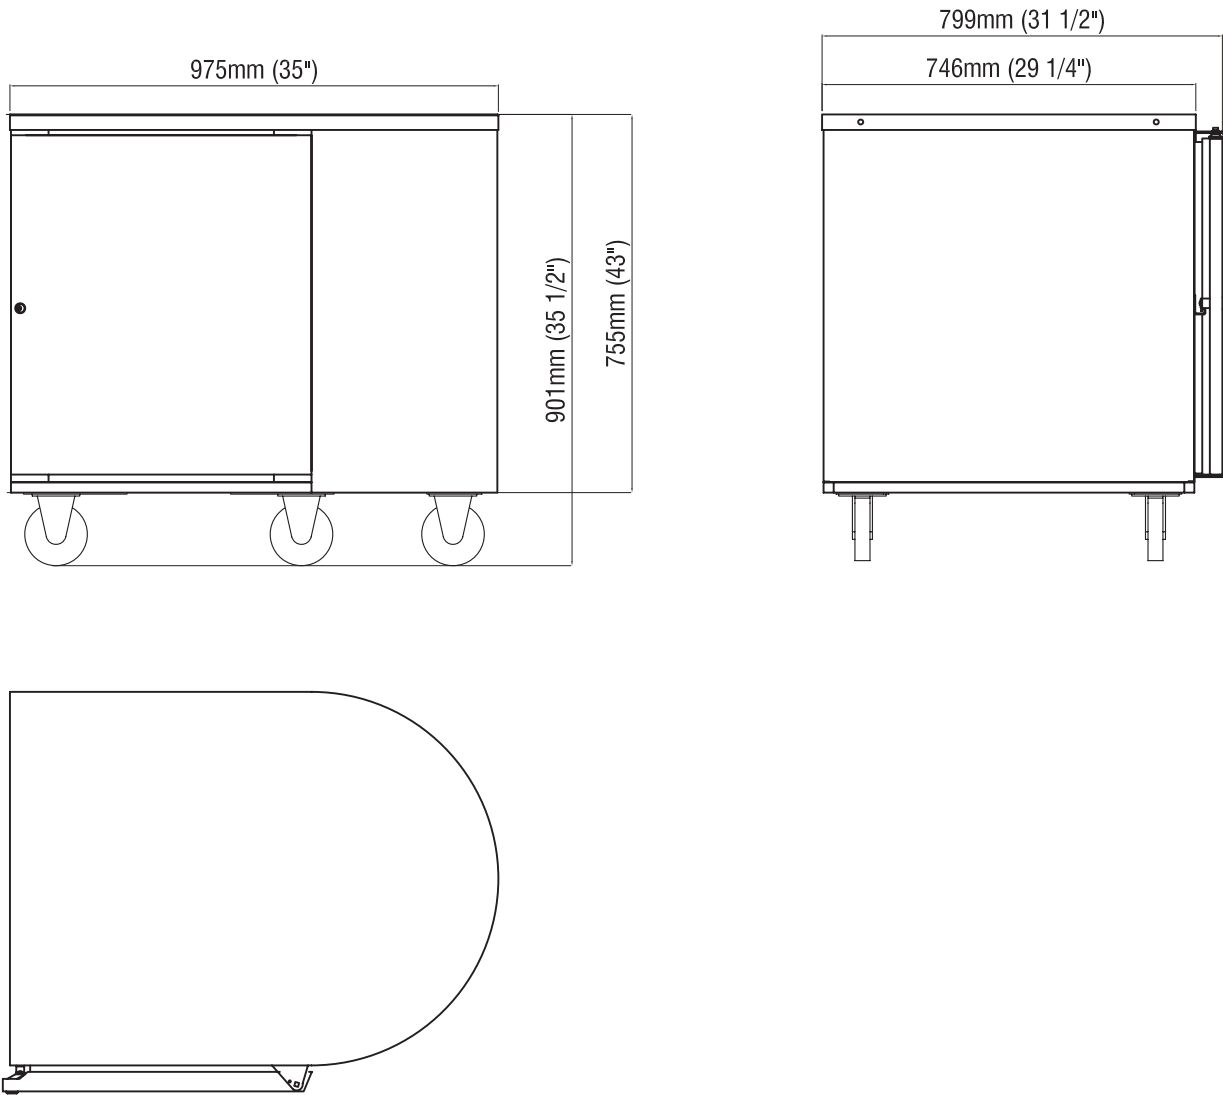

### Standard Features:

- Stainless steel construction and finish – interior and exterior
- 198 liter capacity
- Lockable door ( operator side )
- 3 adjustable shelves
- Available in left and right configurations
- Vinyl night cover
- Heavy duty castors
- Designed and built to ISO9001:2008 and ISO 14001:2004 quality and environment management standards
